

The board of Friends of Hamilton County Parks Foundation is seeking applications from youth in Hamilton County, ages 13-18, to serve on the newly-established Youth Advisory Council. This council will participate in needs assessments, grant preparation, policy recommendations, fund raising, and promotion of Hamilton County Parks through the foundation while teaching and empowering future leaders. Friends of Hamilton County Parks Foundation (FHCP) and Hamilton County Parks and Recreation Department (HCPR) recognize the need to develop and promote programs serving children and adolescents and to secure green space for those activities. We encourage all youth who are interested in our parks, in preservation of our land and wildlife, and in healthful recreation to apply for board membership.

Applications must be submitted to:

Friends of Hamilton County Parks Foundation
c/o Judith Campbell, President
15513 S. Union Street
Carmel, IN 46033

The applicant should state what qualities he/she would bring to the youth council, age and school attending, and what passions he/she has for leadership. The applicant must be available to attend scheduled council meetings and events.
